

EXPERIENCE

The Griddle, Eagle, ID— *Trainer*

April 2022 - Present

Quickly onboarded new hires for their role in 3 days. Gave them sufficient training, resources, and tools needed to complete the job.

Fedex Ground, Boise, ID— *Package Handler*

November 2021 - April 2022

Loaded products safely, efficiently, and quickly onto Delivery Trucks with weights ranging from upwards of 150 lbs while adhering to Hazmat and OSHA safety standards.

HFB Technologies, St.George Utah — *Lead Developer*

February 2020 - August 2020

Oversaw a group of developers by organizing and delegating tasks to complete the websites on schedule. Communicated Face-to-Face with clients to show them the progress on the website throughout the build process.

Red Robin, St.George Utah — *Manager*

May 2018 - March 2019

Followed corporate standards to ensure the restaurant ran correctly and had no violations. Would check and record food temps on the line and in the bar every 3 hours. Process the end of day paperwork and close/prepare the restaurant for the next day.

Mountain Loan Centers, St.George Utah — *Data Analyst*

June 2015 - August 2020

Analyzed all accounts in the pre-legal and legal departments for fraud and errors. Prepared all legal documents for the company attorney (must have 100% data entry accuracy or the legal courts won't accept). Underwrote loans for new and existing clients. Resolved clients past due legal accounts through payment plans, settlements, and garnishments.

Wingers, St.George Utah — *Manager*

October 2009 - November 2014

Oversaw day-to-day duties to ensure the restaurant ran up to corporate standards. Hired, trained, and on boarded the kitchen staff. Complete opening and closing procedures and manage bank deposits. Produced reports detailing sales, food and labor costs.
